

## PFMO 2017 Conference Exhibitor Information and Request Process

People First of Missouri invites companies and organizations to submit a Conference Exhibitor Request Form its Self-Advocacy Conference taking place April 21-23, 2017 at Tan-Tar-A Resort in Osage Beach, MO.

Don't miss the opportunity to exhibit your organization and products at this conference! Exhibits from companies and organizations that are of interest to self-advocates are most welcome. There are a limited number of exhibit spaces available for vendors that wish to exhibit.

We reserve the right to reject requests from organizations and groups that we feel do not support the principles of self-advocacy. PFMO has a standing policy to not allow advertising, exhibiting, or presentations by residential and day service providers. The purpose of the policy is to remain impartial as an organization and eliminate any appearance of endorsement of one provider over another. As the organizer of this event, PFMO appreciates the support of many organizations, including providers who make it possible for people to attend, and hope that this policy is understood in the spirit for which it was established.

As a paid Exhibitor at the Conference, you will be provided with the following:

- Listing in the conference program
- Up to three (3) exhibitor badges (Does not allow access into program or meal functions. Please register your representatives as Attendees in addition to exhibitors in order to provide them conference meals.)
- One 6' skirted exhibit table in exhibit hall with two chairs

All exhibits will be table-top only. Electrical connections will be available.

The exhibitor fee for nonprofit organizations is **\$75** and for-profit organizations is **\$150**. Space is limited and will be assigned on a first-come, first-served basis. Selected exhibitors will be contacted by e-mail or phone.

**Exhibitor Request Forms must be completed by April 5, 2017 to be considered. Please complete the Exhibitor Request Form electronically by using the following link:**
